ABOUT ME

With a genuine passion for Interior Design, I thrive on the opportunity to work directly with clients and behind the scenes. I merge my creativity and technical expertise to confidently tackle design challenges while honoring the unique vision of each project.

As an Interior Designer, my ultimate goal is to inspire others by crafting innovative spaces that not only showcase creativity but also prioritize functionality, sustainability and enhance human well-being. I am deeply committed to researching, educating, and continuously creating within the dynamic realm of Interior Design.

Interior Designer

MATERIA Interior Design

- Interior design
- Project management
- Trade & Supplier correspondence
- Technical drawings
- Product specification
- Client relations
- Client presentations
- Administrative duties

I have had the opportunity to engage in various aspects of the interior design and construction management field.

I successfully oversaw multiple projects from inception to completion, ensuring timely delivery and adherence to budget constraints.

I am proficient in creating detailed technical drawings that effectively communicate design concepts and specifications. Additionally, I have honed my skills in product specification and building strong client relationships as I understand the importance of clear communication and meeting client expectations.
